2911 Elm Hill Pike, Nashville, TN 37214 USA

**ADVISEMENT: Globalstar has limited quality of service until its second generation satellites are commercially available.**

## Globalstar GSP-1600 Standard Kit

The Globalstar GSP-1600 by *Qualcomm* weighs **13 oz (7.8" x 2.2" x 1.9")** and includes a high performance Lithium Ion battery that gives **3.75 hours of talk time** or 19 hours of standby operation in satellite mode. *Includes universal AC charger (110/220 VAC 50/60 Hz) and manual.* Options: *watertight Pelican 1150 hardcase with custom foam, hands-free car kit, portable car kit with privacy handset in soft or hard case, cigarette lighter DC charger, solar charger, data kit, and secure voice encryption device.*

## GCK-1410 Car Kit for the GSP-1600

If you intend to use your GSP-1600 from inside a car or boat in motion, you should get the GCK-1410 Car Kit. A microphone and speaker allow hands-free operation. Most customers also purchase the optional Privacy Handset. A GSP-1600 docked in this car kit has stronger signal reception. The standard configuration is a magnetic mount antenna with a 15 ft antenna cable, though longer antenna cables are available for additional cost. An RS-232 serial data port allows internet access; operates on 12 VDC car power.

## GPDK-1410 Softcased Car Kit

The car kit with privacy handset is also available in a softcase which is easily transported. Just mount your GSP-1600 (not included) into the cradle, plug in the cigarette lighter power adapter, and place the magnetic mount antenna where it has a view of the sky. This system includes both the privacy handset and a hands-free microphone and speaker. The magnetic mount antenna has a 15-foot cable.

## Globalstar GSP-1700

On back country trips where every piece of gear counts, you can finally pack a satellite phone that is small enough to keep in your shirt pocket! The Globalstar GSP-1700 by *Qualcomm* weighs **7.2 oz (5.3" x 2.2" x 1.3")**, and its Li-Ion battery gives **4 hours of talk time** and up to 36 hours of standby time (with slotted paging). *Includes universal AC charger (110/220 VAC 50/60 Hz) and manual.*

Options: *installation kit with low-profile car antenna and marine antenna configurations, DC charger (6 ft cable), solar charger, & USB data kit (4 ft cable).*

**Globalstar GSP-1700** (left)  
Available in red, copper, and silver.

**Globalstar GSP-1600** (right)  
Available in black.

**Globalstar Car Kit**  
GSP-1700 shown but not included.
