Dear Valued Customer:

This is to notify you of several important changes to the terms and conditions of service on your existing service agreement.

EFFECTIVE AUGUST 1, 2006 MONTHLY FEES WILL NO LONGER BE BILLED IN ADVANCE:

Outfitter Satellite is going to begin billing monthly service fees for the invoiced month instead of one month advance. This means that on your July 2006 bill (which you receive in late July or early August), you will be billed only for usage and applicable taxes/USF. **You will not receive a monthly service fee on your July invoice.** Monthly service fees will resume on your August 2006 invoice that you should receive in late August or early September. Customers whose rate plans have an annual service fee or that are on prepaid plans are not affected by this change.

EFFECTIVE AUGUST 1, 2006 RATE PLAN CHANGE OR CANCELLATION REQUESTS: Rate plan change (or cancellation) requests received in writing by Outfitter Satellite before the 25th of the month will be effective at the beginning of the next calendar month. There will be no refund or pro-ration.

IRIDIUM RATE INCREASE FOR PLANS WITH MONTHLY SERVICE FEES: All Iridium rate plans with monthly fees will be **increased by \$6 per month effective August 1, 2006.** This price increase was not initiated by Outfitter Satellite but is a consequence of Iridium's decision to increase the monthly subscription fees of their services. This price increase will be reflected in the August 2006 invoice that you will receive in late August or early September of 2006. Only customer's whose rate plans have a monthly fee will be affected. Customers with Iridium services whose rate plans have an annual fee or that are on prepaid plans are not affected.

This communication serves as your 30-day advance notice of the changes in your terms and conditions. It will also be posted on our web site. If you have any questions please feel free to call 8:30 to 5:30 CST Monday through Friday. We appreciate your business and look forward to serving your future satellite communication needs.

Sincerely,

Customer Service
