

Terms on Monthly-Billed Plans:

- **Month of activation counts as the first whole month of the initial term**, and this first month is pro-rated. The last month of service is not pro-rated. All plans shown here require a new SIM card. Customer pays taxes, USF fees and other fees in addition to rates shown. Some plans have an early cancellation charge for canceling prior to the end of the initial term. Please refer to the service agreement for each plan for complete prices, rates, terms and conditions.
- **Monthly Bundle** applies only to Basic Rate Calls. The unused part of the Monthly Bundle is lost and does not roll to a subsequent month.
- **Basic Rate Calls** include mobile-originated voice calls to cellular, PSTN (public-switched-telephone-network numbers), Iridium numbers and Iridium voicemail. Other types of calls are not Basic Rate Calls and are billed at the rates indicated in the service agreement.
- **US Number Access** is an optional service for \$5.95/mo that provides a unique US number for your Iridium phone. Inbound calls received through this number will be billed at \$1.39 per minute.
- **2-Stage Dialing Access** is a service included with all plans that allows your callers to dial a US number (480-768-2500) followed by your Iridium phone's mobile number. Inbound voice calls received on your phone by this method are billed at \$1.79 per minute.

Terms on Prepaid Plans:

- **Global Prepaid Plans:** Basic Rate Calls include mobile-originated voice and data calls to PSTN or cellular numbers.
- **Regional Alaska-Canada Prepaid Plans:** Basic Rate Calls include mobile-originated voice & data calls to PSTN or cellular numbers originating from and terminating within the Home Zone (which includes Alaska, Canada, plus 12 nautical miles offshore of mainland). A call is considered as "Terminating inside Home Zone" if it terminates inside Canada, Alaska or North America, excluding the Caribbean Islands.
- **Regional Latin America Prepaid Plans:** Basic Rate Calls include mobile-originated voice and data calls to PSTN or cellular numbers originating from inside the Home Zone (which includes Mexico, Central America, Latin America, plus 12 nautical miles offshore of their respective mainland).
- **Regional Middle East & Africa Prepaid Plans:** Basic Rate Calls include mobile-originated voice and data calls to PSTN or cellular numbers originating from inside the Home Zone (which includes the following Middle Eastern and African countries and 12 nautical miles offshore of their mainlands: Cyprus, Jordan, Kuwait, Lebanon, Oman, Saudi Arabia, Turkey, United Arab Emirates, Algeria, Angola, Benin, Botswana, Burkina Faso, Burundi, Cameroon, Cape Verde, Central African Republic, Chad, Democratic Republic of the Congo, Djibouti, Egypt, Equatorial, Guinea, Eritrea, Ethiopia, Gabon, The Gambia, Ghana, Guinea, Guinea-Bissau, Juan De Nova Island, Kenya, Lesotho, Madagascar, Malawi, Mali, Mauritania, Mauritius, Mayotte, Morocco, Mozambique, Namibia, Niger, Nigeria, Senegal, Sierra Leone, South Africa (incl. Prince Edwards Island), Tanzania, Tunisia, Uganda, Zambia, Zimbabwe).
- **All plans shown here** require a new Iridium prepaid SIM card for activation and cannot be used for reloading existing SIM cards. The Minute Value shown for the vouchers indicates the number of Basic Rate Calls that could be made, assuming no non-Basic-Rate-Calls are made. All plans allow the carry over of unused minutes that remain valid when a new reload is applied, up until the 3-year carry-over period for the voucher that originated those minutes is exceeded. Refer to the service agreement for complete terms and conditions and detailed consumption rates in units per minute for all call types. Customer pays taxes, USF fees and other fees in addition to the voucher costs shown.
