Dear Outfitter Satellite Customer:

Effective April 30, 2020, any SIM card that is currently on an annually-billed Inmarsat FleetBroadband plan identified in the description field of your invoice as "FBB 12 GB Annual Plan" or "FBB 48GB Annual Plan" with an annual renewal date on or after April 30, 2020 will be deactivated on the day prior to its annual renewal date, unless the customer signs a new Inmarsat FleetBroadband service agreement with Outfitter Satellite prior to that date.

Though Outfitter Satellite no longer offers annually-billed Inmarsat FleetBroadband plans for new activation, we continue to offer a variety of monthly-billed Inmarsat FleetBroadband plans with various standard IP data bundle sizes and initial term commitments of 2-months, 12-months and 24-months.

Customers that have questions about these changes to their current service plan as described in this notification should contact our Customer Service department at 615-889-8833 prior to April 25, 2020.

Sincerely,

Customer Service
Outfitter Satellite, Inc.
