December 1, 2022

Dear Outfitter Satellite Customer:

On January 1, 2023, **some types of Iridium Prepaid Vouchers are being discontinued.** Discontinued voucher types include the 75-minute 1-month validity voucher, 3000-minute 24-month validity voucher, 5000-minute 24-month validity voucher, and the Africa 300-minute 12-month validity regional prepaid voucher. Customers desiring to purchase these vouchers should do so before December 31, 2022.

Effective January 1, 2023, the **annual service fee for the annual-billing Iridium plans** listed below will be increased to \$779. The plans are identified below as they appear in the "Description" field of your service invoice. Some of our customers prefer to be billed annually and for this reason Outfitter Satellite offers annual billing, but we do so with a Supplemental Fee provision in the service agreement to cover increased charges from our own suppliers who bill us on a monthly basis and can change their pricing from time to time. The monthly fees we pay are increasing on January 1, 2023 so Outfitter Satellite will bill a Supplemental Fee within the next few months to all customers on the above mentioned annual-billing Iridium plans to cover the additional charges pro-rated for the period beginning January 1, 2023 through the remainder of their current 12-month term annual plan. The new \$779 annual service fee will apply on the next annual renewal.

- Iridium Annual Standard + 60 NI Plan NI_IRID_ANN_STD_60
- Iridium Annual Standard + 60 SD Plan SD_IRID_ANN_STD_60

Effective January 1, 2023, the **monthly service fee for some monthly-billed Iridium plans and Iridium GO! plans** will increase. The new Monthly Service Fee is indicated in Appendix A next to the plan name. We have identified the plans in the "Description" column of Appendix A by the plan names and descriptions as they will appear in the "Description" field of this month's December 2022 monthly invoice.

Some plan names were recently changed as described in our earlier November 1, 2022 notifications published on www.OutfitterSatellite.com. So, in some cases the plan names and descriptions may be different on older invoices than shown in Appendix A.

Customers that have any questions about the changes to their current Iridium service plan as described in this notification should contact our Customer Service department at 615-889-8833 prior to December 15, 2022.

Sincerely,

Customer Service
Outfitter Satellite, Inc.
