Dear Outfitter Satellite Customer:

Effective December 1, 2019, the Small Unlimited Talk Group for existing Iridium Push-to-Talk (PTT) customers will cost \$159 per month, except that any customer that maintains 5 or more active PTT devices during any given month will receive a single Small Unlimited Talk Group at no charge.

Effective December 1, 2019, the Medium Unlimited Talk Group for existing Iridium Push-to-Talk (PTT) customers will cost \$279 per month.

Previously, the Medium Unlimited Talk Group which provides 300,000 square kilometers of coverage area had been provided at no charge to many Iridium PTT customers. Outfitter Satellite will be contacting these customers to determine if the Small Unlimited Talk Group which provides 100,000 square kilometers of coverage area is suitable for their application. For comparison, the entire state of Indiana is only about 94,321 square kilometers.

If you have any questions about these changes, please contact Outfitter Satellite.

Sincerely,

Customer Service
