Dear Outfitter Satellite Customer:

Globalstar has increased its pricing. The following changes are effective June 1, 2017:

- The Orbit+Unlimited Globalstar Plan's Monthly Fee will change from \$149.99 to \$199.99.
- The Network Improvement Fee of \$4.95 per month will be eliminated and replaced with a new Network Maintenance Fee (NMF). The NMF applies after the initial 12-month term is completed. The NMF is used by Globalstar to improve their ground station network and to increase their quality of service.
- The NMF for the Orbit+40 Plan is \$9.99 per month. The NMF for the Orbit+100, Orbit +200, and Orbit+Unlimited Plans is \$12.50 per month.

All other terms and conditions remain the same. If you have any questions about this change please call our Customer Service department and the phone number listed below.

Sincerely,
