February 29, 2012

Dear Valued Customer:

After March 31, 2012, there will be a **\$4.50 per month** increase to the monthly service fee for all postpaid Inmarsat BGAN, Inmarsat GSPS, and Iridium plans (except as excluded below) that were activated prior to February 28, 2012. This price change will be reflected in the April 2012 invoices.

After February 29, 2012, **annually-billed postpaid Iridium will no longer be available** for renewal, and upon the next annual renewal date after this notice, the service will transition to being billed monthly according to the prices, rates, terms and conditions of the **Standard+0 Plan** as posted at [www.OutfitterSatellite.com/notifications.htm](http://www.OutfitterSatellite.com/notifications.htm) at that time. If this plan is not the best choice for you, please contact customer service to select a different plan prior to your scheduled annual renewal date. The decision to discontinue annually-billed services has been made based on the potential instability in wholesale monthly fees paid by Outfitter Satellite.
