Dear Outfitter Satellite Customer:

Effective December 15, 2016, we will no longer be offering new activations of SkyFile Mail. All SkyFile Mail accounts will be deactivated on April 1, 2017. Outfitter Satellite continues to offer free SpeedMail email service to customers with active Iridium or Inmarsat service, but a new SIM card and mobile number may be needed to use the free SpeedMail email service.

If you have any questions or wish to transition to the SpeedMail email service now, please call our Customer Service department.

Sincerely,

Customer Service
